Location

Halesowen is a well-established town within the Metropolitan Borough of Dudley in the West Midlands, positioned approximately 9 miles southwest of Birmingham, 6 miles north of Stourbridge, and 4 miles east of Dudley. The town benefits from excellent regional connectivity, with convenient access to the A458, A456, and M5 (Junction 3), providing direct routes to Birmingham, Worcester, and the wider motorway network. Halesowen functions as a busy suburban centre with a strong residential catchment, a mix of national and independent retailers, and a range of community, leisure, and educational facilities.

The site is located in Colley Gate, Halesowen, West Midlands (B63 2BU) and is currently occupied by the former Wilson Hall Social Club, which originally opened in 1968. It occupies a prominent position fronting both Colley Gate and Toys Lane, set within a well-established and predominantly residential neighbourhood. The property lies approximately 1.6 miles from Halesowen Town Centre, providing convenient access to a wide range of local amenities, schools, and community facilities.

The surrounding area comprises a mix of residential dwellings, small independent retailers, takeaways, convenience stores, and community uses typical of a suburban local centre.

Property Description

Two new commercial units, available in 2027.

Accommodation

Two new convenience retail units (Use Class E) will be available to let from 2027 as part of the refurbishment of the former Wilson Hall building. The units will provide modern, flexible accommodation suitable for restaurant, café or retail use.

Unit B offers approximately 140m (1,507ft), and Unit C provides approximately 165m (1,775ft). Both units benefit from prominent frontage to Colley Gate and Toys Lane, with strong visibility to local footfall and passing traffic.

Externally, the building will undergo light enhancement works to create attractive, contemporary shopfronts. Improvements include the installation of curtain wall glazing, selective modern cladding, and repointed brickwork using a lighter mortar to refresh and

brighten the elevations. These upgrades will ensure the units present a clean, modern appearance while retaining the character of the original structure.

Only Units B and C are being offered to the market.

Tenure

The premises are available on a new lease, with rent and terms to be agreed, subject to landlord's consent.
